INTRODUCTION: STREET TRADING

The Local Government (Miscellaneous Provisions) Act 1982 Schedule IV (the Act) defines Street Trading as “the selling or exposing or offering for sale any article (including a living thing) in a street – subject to a number of exceptions”.

A “Street” is defined as any road, footway, beach or other area to which the public have access without payment (this includes private land), and a service area as defined in Section 329 of the Highways Act 1980.

The Council has determined that all of the streets in the District are designated as “Consent Streets”, which in effect means that no trading may take place without the Council having first issued the appropriate Trading Consent to the trader.

TYPE OF TRADING CONSENTS ISSUED BY ASHFIELD DISTRICT COUNCIL

The Council issues four different types of Trading Consents:

- **Street Trading Consent:** Trading from a stall / unit / vehicle from a single designated location on a regular basis. We offer these for periods of 12 months or 6 months.
- **Mobile Trading Consent:** Trading from a vehicle at various locations across the Ashfield District, but for no more than 20 minutes at a time, and no location to be revisited within a 4-hour period. We offer these for periods of 12 months or 6 months.
- **Community & Charity Event Trading Consent:** Trading at non-profit making events (within the Ashfield District) held by a registered charity or community association, whether for a single day or for the duration of the entire event.
- **Special Events Trading Consent:** Trading at events (within the Ashfield District) where the organiser intends to make commercial gain, whether for a single day or for the duration of the entire event.

WHERE TRADING WILL NOT LIKELY BE PERMITTED

The Council has determined that applications for a Street Trading Consent or a Mobile Trading Consent (save for certain exemptions) will likely be refused for locations that are deemed to be:

- **In close proximity to a place of worship;**
- **In close proximity to a place of education;**
- **In close proximity to a place of healthcare;**
- **In close proximity to a place of cultural or historical local / national significance;**
- **In close proximity to primarily residential properties;**
- **In close proximity to a business offering the same goods / services;**
- **Likely to undermine the safety and / or convenience of the general public and / or road users.**

RELEVANT CONSIDERATIONS APPLICABLE TO ALL APPLICATIONS

The following criteria will be considered in deciding whether a Street Trading Consent or a Mobile Trading Consent will be granted:

- a) **Public Safety:** Whether any Trading activity represents, or is likely to represent, a risk to the public from the point of view of obstruction, fire hazard, unhygienic conditions, or danger that may occur when a Trader is accessing the site.
- b) **Public Order:** Whether the Trading activity represents, or is likely to represent, a risk to public order.
- c) **Preventing Nuisance or Annoyance:** Whether the Trading activity represents, or is likely to represent, a risk of nuisance or annoyance to the public from noise, odour, fumes, litter, or the discharge of fluids, particularly in areas of residential properties.
- d) **Written Representations from Local Residents (Street Trading Consents only):** Residents will be alerted to Street Trading Consent applications for locations not already adopted by the Council by way of a yellow A4 notice erected at the proposed Street Trading location.
- e) **Planning Permission (Street Trading Consents only):** A Street Trading Consent will only be issued where planning permission has been granted or where there is written evidence that planning permission is not required.
- f) **Suitability of Proposed Trading Location:** Applications for a Trading Consent may likely be refused for locations that are:
 - **In close proximity to a place of worship;**
 - **In close proximity to a place of education;**
 - **In close proximity to a place of healthcare;**
 - **In close proximity to a place of cultural or historical local / national significance;**
 - **In close proximity to primarily residential properties;**
 - **In close proximity to a business offering the same goods / services;**
 - **Likely to undermine the safety and / or convenience of the general public and / or road users.**
- g) **Appearance of the Stall / Vehicle / Unit:** Any stall or vehicle from which trading is permitted must be maintained and presented to the same standard as originally manufactured. Internal and external finishes must be free from defects or damage. Any stall or vehicle must meet with the criteria, including size, laid down in the standard conditions attached to the grant of any Street Trading or Mobile Trading Consent.
- h) **Food Traders:** Applicants for stalls or vehicles selling food must provide proof that they are registered and been inspected by their local Food Authority / Environmental Health Department by way of providing a current Food Hygiene Rating Scheme score.

Furthermore, those who prepare food must hold a current Level 2 Food Hygiene Certificate accredited by The Chartered Institute of Environmental Health, or other approved scheme.

FEES & CHARGES

The level of fees applicable to the Street Trading function takes into account the administrative costs associated with the consideration of applications, the issue and administration of the Consent, and the costs associated with compliance checks carried out by the Licensing Authority to ensure that Traders operate in accordance with the conditions of their Consent.

The following fees and charges are applicable to each of the different Trading Consents.

Type of Trading Consent	Duration	Proposed Fee
Street Trading Consent (Standard Site)	12 months	£1294.00
Street Trading Consent (Standard Site)	6 months	£697.00
Street Trading Consent (Market Site)	12 months	£970.50
Street Trading Consent (Market Site)	6 months	£485.25
Mobile Trading Consent	12 months	£750.00
Mobile Trading Consent	6 months	£375.00
Special Event Trading Consent	Per Event	£30.00 per stall
Community & Charity Event Trading Consent	Per Event	No charge
Duplicate copy of Trading Consent	-	£5.00

We offer a variety of payment options for applicants of Street Trading Consents and Mobile Trading Consents, and these are detailed on the relevant Application Forms appended to this Application Pack.

Please note, no application will be deemed valid until payment of the appropriate fee (or payment of the initial fee if opting to pay by monthly instalments).

Any agreed instalment plan must be maintained in accordance with the terms of the payment agreement. If the instalment plan is not honoured, then the Trading Consent becomes void.

Where trading ceases during the term of a Street Trading Consent or Mobile Trading Consent, refunds will not be issued for any outstanding period of less than three months (refunds must be requested in writing by way of email to licensing@ashfield.gov.uk).

Where a Special Event Trading Consent has been granted, no refund will be issued should a Trader not attend the event, or if the event is cancelled.

Where an application for a Street Trading Consent at a new location is the subject of valid objections that remain unresolved by the end of the 28-day consultation period, the application will be referred to the Director: Place & Communities and a Hearing convened to determine the application.

A report detailing your application and the relevant objection(s) will be provided to you at least 5 working days prior to the actual Hearing date.

The Director will determine each application on its own merits, taking into consideration all information attached to the application, the comments of the objectors, and any information provided by the Licensing Team in relation to the applicant, the nature of the business, and the proposed location.

Following the determination of an application, the Licensing Authority will notify the applicant (and any objectors) of the decision (and the reasons for the decision), within 10 working days of the Hearing. DEFINITION OF A MOBILE TRADING CONSENT

Traders that meet with the criteria detailed below will be classified as Mobile Traders. Ice cream vans and mobile sandwich sellers (i.e. they do not have specific customers to whom they visit on a “round”) would typically be deemed to be Mobile Traders.

A Mobile Trader is defined by the Council as one who:

- **Moves from location to location;**
- **Moves at least 50 metres from his / her last trading location and does not return to that location within four hours;**
- **Does not wait in one location for more than 20 minutes; and**
- **Does not trade within 100 metres of any entrance to any educational establishment (without having first received a formal invitation from the educational establishment).**

Due to the nature of their trade over a wide geographical area and their limited impact upon a single location, Mobile Traders will automatically be granted a Mobile Trading Consent, subject to the applicant and application meeting all of the above criteria, and the criteria detailed within the section entitled **Relevant Considerations Applicable To All Applications**.

However, certain additional restrictions are required in order to prevent harmful competition, any negative impact on locations, and to protect the business interests of existing permanent premises selling similar goods and services to those that may potentially be offered by Mobile Traders. These additional restrictions are:

- **That Mobile Trading may not take place from any Council owned park or recreational space during the operating hours of any existing permanent structure selling similar goods and services as those proposed to be offered by the Mobile Trader; and**
- **That no location may be occupied by more than one Mobile Trader at any given time.**

These additional restrictions assist businesses in permanent structures and who pay business rates from becoming the victims to unfair competition.

However, where there is an existing business in a permanent structure sited at a location that a Mobile Trader wishes to operate from, the restriction does not apply when the permanent structure is closed to the public.

Please note: *Businesses that sell to pre-arranged customers are exempt from the need for a Mobile Trading Consent as they are deemed “Roundsmen”. Such examples would be hot food and sandwich vans that have contracts in place with customers.*

However, if the general public are able to obtain the services and supplies offered by the Trader, rather than those customers for whom a contract is already in place, then such a Trader would need to apply for a Mobile Trading Consent.

HOW TO APPLY FOR A MOBILE TRADING CONSENT

All applications for the grant of a new Mobile Trading Consent or for the renewal of an existing Mobile Trading Consent must be submitted to the Licensing Team, and shall include the following (if an incomplete application is submitted, it will be returned to you as void):

- **The completed Mobile Trading Consent Application Form** (see Appendix 4);
- **The completed Direct Debit Mandate (if paying by monthly instalments)** (see Appendix 6).
- **Current Food Hygiene Rating Scheme Score & Level 2 Food Hygiene Certificate (if a food business).**
- **Current Electrical and Gas Safety Certificates (if applicable).**
- **Current Public Liability Insurance (to a minimum value of £5,000,000).**
- **Evidence that the applicant and any person(s) operating the vehicle holds a valid right to work in the U.K.**
- **A map / maps showing the proposed trading sites, and showing all streets and other public areas covering a 200 metre radius surrounding the proposed Mobile Trading locations.**

- **Evidence that the vehicle may legally be driven on the highway by way of a valid M.O.T., valid Motor Insurance and valid Vehicle Excise Duty.**

On the first working day following receipt of your completed application form and all of the other necessary documents listed above, a Licensing Officer will contact you to take your debit / credit card payment for the fee (or the up-front payment if choosing to pay by monthly instalments).

DETERMINATION OF MOBILE TRADING CONSENT APPLICATIONS

Officers of the Licensing Team will evaluate all applications in order to assess the suitability of the applicant and the suitability of the specified trading locations. A Mobile Trading Consent will be automatically granted if the application meets with our criteria.

Where an application is deemed by the Officers of the Licensing Team to not meet with our criteria, the application will be referred to the Director: Place & Communities and a Hearing convened to determine the application.

The Director will determine each application on its own merits, taking into consideration all information attached to the application, and any information provided by the Licensing Team in relation to the applicant, the nature of the business, and the proposed locations. Following the determination of an application, the Licensing Authority will notify the applicant (and any objectors) of the decision (and the reasons for the decision), within 10 working days of the Hearing. There is no statutory right of appeal against a refusal to issue a Street Trading Consent, or against the conditions that may be attached to the grant of a Street Trading Consent.

GRANT OF MOBILE TRADING CONSENT APPLICATIONS

HOW TO APPLY FOR A COMMUNITY & CHARITY EVENT TRADING CONSENT

The event organiser will notify the Events Team (events@ashfield.gov.uk) at Ashfield District Council of the intended event. Within the Event Application submitted by the event organiser to the Council, details of each trader and the goods being sold from each stall / vehicle / unit will be provided.

The Events Team at the Council will forward a copy of the Event Application to the Licensing Team, and will consult with the Licensing Team at the Council to determine whether the event is “not for profit”, and to establish that the Traders are making a financial contribution from any profits they make to the community and / or charity for which the event is held.

If the Licensing Team deem the event to be “not for profit” and that the Traders are making a financial contribution from any profits they make to the community and or charity for which the event is held, the Events Team will be notified, and the Events Team will confirm this status to event organiser, and forward a Community & Charity Event Trading Consent to the event organiser to provide to each Trader attending the event.

A copy of the Community & Charity Event Trading Consent (listing each Trader) must be displayed at all stalls / vehicles / units trading at the event.

DEFINITION OF A SPECIAL EVENT TRADING CONSENT

Traders attending an event organised for “commercial gain” on either Council owned land or on private land to which the general public have free access, require a Special Events Trading Consent **to be granted to the event organiser**, subject to the following restrictions:

DETERMINATION OF SPECIAL EVENT TRADING CONSENT APPLICATIONS

Officers of the Licensing Team will evaluate all applications in order to assess the suitability of the traders proposed by the event organiser. A Special Events Trading Consent will be automatically granted if the application meets with our criteria as detailed on the previous page of this Application Pack.

GRANT OF SPECIAL EVENT TRADING CONSENT APPLICATIONS

The event organiser will be advised by letter that the Special Event Trading Consent has been granted. The Special Event Trading Consent will be enclosed with the letter.

A copy of the Special Event Trading Consent must be displayed in each of the Traders stalls / unit / vehicle throughout the duration of the event.

ENFORCEMENT

The Council is committed to enforcing the provisions contained within the relevant legislation, and to work in partnership with all enforcement agencies, in order to promote a consistent, transparent and proportionate approach to the enforcement of licensing matters.

Where licensable activities are conducted without the relevant permissions having been granted by the Licensing Authority, or where conditions / permitted trading hours are breached, the Council will gather evidence and take the necessary enforcement actions as required.

The Licensing Officers will firstly seek to advise traders of the requirements of their Trading Consent, and should it be necessary issue Warnings.

Should a trader continue to fail to comply with the requirements of the Council's Street Trading Policy or the conditions applicable to his / her Street Trading or Mobile Trading Consent, the traders' suitability to continue to hold the Trading Consent will be reviewed by the Director: Place & Communities at a Hearing.

The options available to the Director: Place & Communities at such Hearings are to:

- a)** Review and (if necessary) vary the conditions attached to an existing Street Trading or Mobile Trading Consent when necessary to promote public safety and / or prevent nuisance or annoyance to any affected parties, or the Trader has failed to comply with the conditions of the Consent, or information has come to light as to the suitability of the Trader.
- b)** Review and (if necessary) suspend or revoke a Street Trading or Mobile Trading Consent issued to an existing Trader when necessary to promote public safety and / or prevent nuisance or annoyance to any affected parties, or the Trader has failed to comply with the conditions of the Consent, or information has come to light as to the suitability of the Trader.
- c)** Take no further action, if having reviewed matters, it is deemed that the Trader is not responsible for the issues that led to the Hearing being held.

Dear Sir or Madam

Payment by Direct Debit

Thank you for enquiring about paying your Sundry Debtor Invoices by Direct Debit and I have set out below the advantages of this easy and simple way to pay.

There are no cheques to write, no paperwork or postage and there's no queuing, because payments are made for you, by your Bank or Building Society - and it helps us to keep our costs under control. Receiving payment by Direct Debit enables the Council to reduce collection costs, a saving that will be passed to you in the form of better services.

Your Questions Answered

Q. A.	Will it cost to pay by Direct Debit? No - Banks do not normally charge for Direct Debit.	Q. A.	Can the Council take money out of my account as they like? No. We can only collect the authorised amount. If this or the date of collection changes, you have to be told in advance so that you have time to query the bill.
Q. A.	Can I cancel a Direct Debit instruction? Yes, instructions are cancelled by writing to your Bank/Building Society. Send a copy of the cancellation to the Revenues Division.	Q. A.
